

Dear Parents,

It is that time of year again. I hope you all have had a wonderful break with many memories made. I am looking forward to a new year at Unity Christian School. I am extremely excited about the opportunity that God has given me. I look forward to getting to know each and every one of you, but first, I want to let you know a little about myself.

Growing up I always knew that I wanted to be a teacher. I have always had a love for children and a passion for Christ. I grew up in Chattanooga, Tennessee and graduated from East Ridge High. I attended Cumberland University on a volleyball scholarship and graduated with a Bachelors Degree in Early Education. I began my teaching career at White Elementary. I was there for six years as a second grade teacher. During that time, I received a Masters Degree in Administration from Jacksonville State University. My husband and I welcomed our son Brady into the world in 2006. Brady is in kindergarten here at Unity. This is my fourth year at UCS and I have to say that it is like no other school I have ever been in. God is truly at work here and my goal is to love and nurture your child in a Christ-Centered environment.

I am looking forward to an exciting year in first grade. I am honored that your child is in my class. I believe that each child has been placed with me for a reason. I can't wait to see what God has planned for each of us as we grow and learn through Him. We will have an exciting year filled with reading, writing, experiments, challenges, love, and worship. I will keep you and your family in my prayers, as I hope I am in yours. I am looking forward to getting to know each family and am pleased to be a part of your child's academic and spiritual growth.

Through Him,
Ginger Mathis
