

Welcome to Second Grade

Dear Parents,

I would like to welcome you and your child to Unity Christian School and I am delighted to serve you and your family this year. I am very excited about meeting your little one and I cannot wait to begin this adventure. My name is April Carter and I have two sisters, Crystal and Heather and a younger brother, Trey. I attend Pleasant Valley North Baptist Church and serving the Lord is a huge part of my life. This is my fourth year teaching at Unity but I have worked at Unity for the past six years in afterschool care, and served as a Kindergarten aid. I absolutely love working with children and I feel that Unity is where God has called me to be. I have a Bachelors of Science degree in Early Childhood Education. This year I hope to help your child grow mentally, socially, physically, and spiritually at Unity Christian School. I also hope to build confidence, compassion, and pure hearts in your children and touch their lives in a special way. The heartbeat of God is Matthew 28:18-20, which is the Great Commission. At Unity, our missionary mission begins in the classroom, and we teach our young people to take it to the entire world.

My goal is to work with you with the single purpose that your child will have a smooth transition into Second Grade. I believe that being at Unity is a ministry and that God has appointed me to serve as your child's teacher. I will work with your little one in a relaxed setting as he/she adjusts to a new schedule and a new year. If you have any questions, please feel free to contact me at 770-547-4824.

Thank you so much for giving me the opportunity to be your child's teacher and be a part of their lives. I am proud and pleased to be serving you and your family. I look forward to our visit together.

May God bless you and your family, today and always.

Lovingly in Christ,

Ms. Carter
