

Dear Parents,

I am so excited to be your child's 3rd grade teacher this year. I have already begun praying for your child and our time together. Nothing brings me greater joy than to see a child walking in the truth and I am praying that seeds will be planted and nurtured this year to help your child in growing to love God with all their heart, soul, and strength. I ask that you pray for me and your child's classmates. Pray that I will be sensitive to each child's individual needs and that I will be obedient to the tasks God places before me each day.

I am looking forward to getting to know you and your child better. I will tell you a little about myself. I have a wonderful husband named James and we have been married for 21 years. We have 3 children. Ivey will be in the 10th grade, Graham will be in the 6rd, and Bekah Grace will be in 1st. I graduated from Jacksonville State University in 1990 with a BS in Elementary Education and a MS in Early Childhood Education in 2000.

I look forward to partnering with you to help your child be all that God has intended. I know this is going to be a blessed year.

Mrs. Cathy Wisener
