

Dear Parent:

Welcome to kindergarten! I am so excited to be your child's teacher this year. Teaching is my passion and mission. It is a privilege to serve the Lord at Unity Christian School.

I have a bachelor's degree in elementary education and a master's in early childhood education. I am certified in the state of Georgia in the areas of elementary education, early childhood education, middle grades, ESOL, and special education. I have thirty - four years experience in grades K - 8.

My desire to be a teacher began when I was five years old and stood on the picnic table and "taught" the Bible to my friends. I accepted Jesus Christ as my Savior when I was nine years old. My walk with Him continues to deepen and grow richer everyday.

The Lord has given me a new mission. I am blessed to be a part of the community of Christians at UCS. I look forward to working with you and your child to make this a wonderful year!

Please feel free to call, email, or write a note if you have any questions or concerns.

I look forward to meeting you!

In His love,

Karen Jelliff
