

UNITY CHRISTIAN SCHOOL

WELCOME

Dear Prospective Parents,

Thank you for inquiring about Unity Christian School! We know what an important decision it is to choose a school where your child will thrive academically, spiritually, socially and physically. We are excited to offer a Biblically integrated curriculum which includes English, mathematics, science, literature, social studies, Spanish, and enrichment courses in music, art, and physical education.

We consider it a privilege to partner with parents to offer a Christ-centered, Biblically-based education. We are indeed grateful that God chose us to be His servants for Kingdom Education. We stand in awe of how God has met our needs above and beyond all that we could ask or think. (Ephesians 3:20, 21).

The Unity Christian School Mission Statement and our commitment to you is as follows:

We will partner with Christian parents committed to Christ-centered, Biblically-based education to promote excellence in academics, to equip students with Christ-honoring leadership skills, and to develop their God-given potential which empowers them to impact the world for Jesus Christ.

Again, thank you for considering Unity! We are praying over your family's decision to enroll your child here. Please call me with any questions or comments.

Giving God All The Glory!
